Rice University Summer School

Physics for Prospective Pre-Med and Bio Majors

Get a major/med-school requirement out of the way!

Experience your first college course in a small classroom setting.

Summer 2014 Class Schedule

PHYS 125 General Physics I: May 19 to June 20, 2014
(Registration Deadline: May 5)

PHYS 126 General Physics II: June 23 to July 25, 2014
(Registration Deadline: June 9)

Both PHYS 125 and 126 are calculus-based courses designed to fulfill the requirements of bio-science and pre-medical students. The emphasis of PHYS 125 is mechanics and PHYS 126 covers waves, optics, electricity and magnetism. Summer courses are capped at 19 students.
